

GRÜN ROCKT!

M'ERA LUNA FESTIVAL RESULTS 2022

RECYCLING PROJECT

For our festival guests we provided **4 trash collection services** and **10 trash spots** where they could bring their waste to take part in our recycling project. There the waste got collected separately in up to 7 different waste categories. On the whole **24 motivated supporters** were involved in that project.

Strict waste-separation in **paper, organic and other waste, glas, wood and plastics** applying for our tradors, sponsors and gastronomers.

TRASHOLUTION

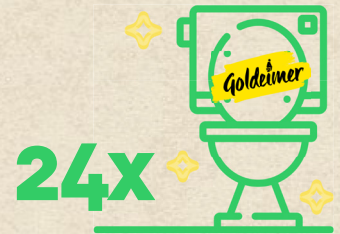

A total of **2,431 garbage bags** were delivered to us. We rounded up the donation amount of "1 Euro for each waste sack" and donated a total of **4,000 Euro to social projects**.

You can find all the information on: www.trasholution.eu/de/mera-luna/

SANITARY

On the whole campsite area there were **24 compost toilets** from Goldeimer.

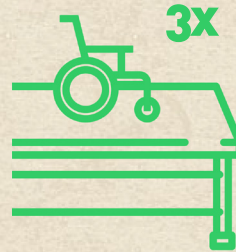

As a climate protection rate **355 Euro** were donated for the sustainable projects of atmosfair.

COMPANIONSHIP

There were **891 crew members** supporting our awareness project "Where do I get to PANAMA". There also were **3 wheelchair grandstands**, including accesible toilets.

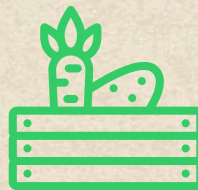

NGOs

100% of festival banners we cannot use for the next festival get reworked by **BagUp** and can be saved from becoming waste.

22 crates

With the help of **Foodsharing** this year **22 crates** of non-perishable food could be saved and donated to the food bank Hildesheim.

This year **2,965 cups** were donated to **Viva con Agua** and their activities. A total of **8,122.72 Euros** was donated.

ProTeam Himmelsthür supported us again in 2022 as an important part of our festival crew. The organisation is about helping people with assistance needs for further education or getting access to the employment market.

TOGETHER FOR A GREENER FESTIVAL!

On the whole, **4 organisations and initiatives** with **69 voluntary supporters** joined the festival and provided information about issues concerning our society and environment.
