HOUSE RULES FOR THE LECTURE OF MARK BENECKE

Who doesn't understand my silence, doesn't understand my words.

Mark Benecke kindly asks you to remain silent and seated during his talk.

The only real moments in life are those you remember anyway.

Image or video taking during the lecture is strictly forbidden and may lead to cancelation of the event.

Repoucement of gluttony is the answer to all problems.

The bar will remain closed before and during the lecture.

Punishment is hated, but the sin is loved

We kindly ask you to pay heed to the abovementioned rules. The event will only be possible if all guests are compliant. Thank you for your assistance!
